

Cloud computing for Small Businesses

Date:

Tuesday,
May 17th 2011
7:00pm - 9:00pm

Location:

Radisson Blu Hotel,
St Helens,
Stillorgan,
Co. Dublin

Duration:

2 Hours

What is cloud computing? Everyone in the technology world is talking about it... and a lot of people in the business world are asking the same question, "What is cloud computing, and more importantly what does it mean for my business?"

Cloud computing platforms are growing in popularity, but why? What unique advantages does cloud computing offer to companies in today's economic climate?

If you would like to learn how some of the world's largest organisations and brands are using the cloud to save money and increase their efficiency and how your business can benefit from cloud computing then join us on the 17th of May.
